In addition, on September 21st, the San Angelo Area Foundation collaborated with the Sonora Ministerial Alliance and utilized the Foundation’s ability to quickly manage and award emergency grants by creating the Sonora Flood Relief Fund. Friends and neighbors from across the nation have shown their support for Sonora by contributing to the fund and the outpouring of generosity has helped raise more than $500,000 to date. Working closely with the Sutton County Long Term Recovery Group to help determine the immediate and long-term needs of the community, the Sonora Flood Relief Fund has provided over $200,000 in emergency grants thus far to families coping with loss. “Our heartfelt prayers continue to be with those impacted by this disaster. The generous support many have shown their neighbors in need has allowed the San Angelo Area Foundation to stand alongside Sonora and we will continue to work closely with the Sutton County Long Term Recovery Group during this time of response, recover, and rebuilding,” states Matt Lewis. The San Angelo Area Foundation manages over 330 charitable funds benefiting a multitude of causes throughout the Concho Valley. Established in 2002, the San Angelo Area Foundation is a community foundation with assets of $150 million and has granted over $90 million since inception. The San Angelo Area Foundation is also the power behind San Angelo Gives, a 24-hour online giving event connecting our community to local causes. In four years, San Angelo Gives has pumped over $4.5 million back into the community. Mark your calendars as we celebrate 5 years of collective giving on Tuesday May 7, 2019.
