

November 11, 2026 Update

15 Months focused on *Response, Recovery, Resiliency*

conchovalleytogether.org

On July 4, 2025 more than 14 inches of rain accumulated in San Angelo and surrounding areas resulting in devastating flooding across the Concho Valley. The San Angelo Area Foundation quickly established the San Angelo Disaster Relief Fund. As we continue to work with our neighbors in need, this update is where a crisis meets compassion.

More than **1,900** homes affected, damaged or destroyed by floodwaters.

Your gift - combined with others has helped raise **$6,611,008** as of November 11, 2026.

In the first 15 months **$3,870,883** has been awarded in emergency grants to impacted neighbors and community partners to provide assistance with repair and rebuilding costs.

Many local businesses were also impacted by this flood. Grants included **$250,000,** made available for businesses with physical property damage through the **LiftFund,** ensuring a strong economic infrastructure of resilience.

As part of the **Long Term Recovery Group**, the San Angelo Area Foundation remains committed, helping neighbors whose recovery continues. In collaboration with community partners, the disaster fund will ensure that no one faces this crisis in isolation with **$2,740,125** dedicated to long-term recovery, rebuilding, restoration and unmet needs.

The Unmet Needs program has helped leveraged more than **$722,000** in additional funding from other partners, bringing in more recovery resources for neighbors in need.

In the First 15 *Months*

506
Neighbors recieved immediate assistance
**252 recieved round two*

914
Completed unmet needs assessment for case mgt.

330

Community United for Recovery

I just want you to know how grateful I am for the help. I am still a work in progress, but I can see the light at the end of the tunnel. I appreciate the help in time of need.
~ Karen

We were devastated by the July 4th flood. The generosity of other has helped us move toward recovery and has blessed us tremendously
~ Dan & Lydia

Every donation, every helping hand, and every word of encouragement has played a critical role in our community's resilience and rebuilding. We are forever grateful to those who have extended their support, ensuring that no one faces this journey alone. Your kindness is a beacon of light, guiding us toward a hopeful future.

Matt Lewis

The Concho Valley region has experienced numerous disasters in which the San Angelo Area Foundation has played a vital role in responding to critical community needs. As one of the many critical philanthropic efforts needed to support those impacted by disasters, the San Angelo Area Foundation utilizes our ability to quickly manage and award emergency grants when the community is impacted by disaster.

These response efforts include wildfires, flooding, tornados, a pandemic, winter weather crisis and most recently an unprecedented flood. Disaster philanthropy is vital for communities when faced with the unexpected and because of your heartfelt generosity, the San Angelo Area Foundation has been a strong source of support for the community and organizations dedicated to helping neighbors in need. **Here is a look at the past disaster response efforts in the last 15 years.**

Response, Recovery, Resiliency

2011 — Wildcat Wildfire
Assistance to responding Volunteer Fire Departments

2018 — Sonora Floods
Emergency Grants to homeowners impacted by unprecedented flooding
